

# Contingency Contract for Kim and Mark

| Kim                                                                                                                                                                           |                                 |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| Task                                                                                                                                                                          | Amount Paid for Task Completion |
| I, Kim, will do the family's grocery shopping at least once every two weeks.                                                                                                  | \$10 per shopping trip          |
| I, Kim, will do school lunches for the girls on Thursdays and Fridays.                                                                                                        | \$10 per lunch                  |
| I, Kim, will do the dinner cleanup on at least four of five weekdays.                                                                                                         | \$20 per week                   |
| Mark                                                                                                                                                                          |                                 |
| Task                                                                                                                                                                          | Amount Paid for Task Completion |
| I, Mark, will make the school lunches on Mondays, Tuesdays, and Wednesdays.                                                                                                   | \$10 per lunch                  |
| I, Mark, will cook dinner on most nights (at least three of five weekday nights).                                                                                             | \$20 per week                   |
| I, Mark, will take the girls to watch at least two of Kim's races for at least an hour each time over the next nine months.                                                   | \$10 per race                   |
| I, Mark, will hire a cleaning service to do a thorough cleaning of the house once a month.                                                                                    | \$10 per cleaning               |
| Mutual Tasks                                                                                                                                                                  |                                 |
| Tasks                                                                                                                                                                         | Initials for Both Kim and Mark  |
| Date Night: We agree to have one date night (i.e., time just for us) every week during the week.                                                                              | Kim _____<br>Mark _____         |
| Mark and Kim will get help from one of their family members to allow Mark and Kim to jog together on one of the two mornings of the weekends and then get breakfast together. | Kim _____<br>Mark _____         |
| We agree to revisit this agreement on June 15 during our date night dinner that week to see how it is going and if we want to modify it.                                      | Kim _____<br>Mark _____         |
| Signatures                                                                                                                                                                    | Date                            |
| Signature 1: <i>Kim Smith</i>                                                                                                                                                 | 5/15/20XX                       |
| Signature 2: <i>Mark Smith</i>                                                                                                                                                |                                 |
