

Food Frequency Questionnaire

Name

Date

Disclosure: the following food frequency questionnaire has been adapted from the national institute of health's diet history questionnaire (DHQIII). To simplify this questionnaire and help nutrition coaches remain within their scope of practice, vitamin and mineral supplement questions have been omitted.

This questionnaire is for informational and nutrition coaching purposes and is not intended to diagnose illness or prescribe nutritional therapy.

Instructions

Answer the following questions to the best of your ability. It is important, for the accuracy of this questionnaire, to answer each question truthfully. Questions are broken into major categories similar to the DHQIII. If a question does not apply to you or you simply do not consume the food or drink in question, leave the associated answer fields blank.
