

Goal Setting Worksheet for Health Improvement

Name: _____ Date: _____

Step 1: Define Your Main Goal

Write down your primary health-improvement goal. Make sure it's specific, measurable, achievable, relevant, and time-bound (SMART).

Main Goal:

Target Date: _____

Step 2: Break Down Your Main Goal Into Smaller Objectives

List the smaller objectives that will help you achieve your main goal. For each objective, specify actions and set a deadline.

Objective	Actions Needed	Deadline

Step 3: Identify Milestones

Milestones are significant points along your journey. They help you see progress and keep you motivated. Write down at least three milestones related to your objectives.

Milestone Description	Expected Completion Date
