

Single Assessment Numeric Evaluation (SANE)

This assessment tool is designed to allow you to report the status of any body part with the intent to help determine needs focused on returning to full participation.

“How would you rate your [shoulder] today as a percentage of normal (0% to 100% scale, with 100% being normal)?”

Rate your _____ for function with 100% being normal.

Not normal 0 10 20 30 40 50 60 70 80 90 100 Normal
