

Welcome Email Template

When you're writing an email, messaging should be short and to the point. But emails are more than words – make sure to include a banner image, your logo, a catchy headline, and a call-to-action button that shows readers what you want them to do next.

Here's a template with a few tips to get you started.

Here's where your logo and an eye-catching banner image should go.

This a catchy headline. It's short and draws people in!

Hello,

This is where you'll welcome the new subscriber and tell them about perks, expectations, etc. Details to consider including are:

- Tell them what they'll receive as a subscriber.
 - Example: "To thank you for deepening our relationship, I'd love to support you with a weekly workout delivered directly to your inbox."
- Offer ways to connect.
 - Example: "For daily mindful tips, be sure to follow us on Instagram."
 - Example: "Questions? You can reach us at [CONTACT INFO] with comments and concerns."

Provide a call-to-action in the form of a button that is clear and concise.
