

Identifying Dream Partnerships

When you dream about who you'd love to partner with, who do you see? And don't just think in the now—look forward. Thinking about your brand as a long-term investment ensures that you're making smart choices about your partnerships.

Use this template to help identify your dream partnerships.

My Dream Team

Must-have brand values

Brand voice

Desired audience demographic

Which content bucket does the product/service fall into?

How can this brand elevate my followers?

How can this brand elevate my own brand?

Brands I want to work with that meet these criteria
