

Before you launch your freebie, make sure you've completed the list below. And don't forget to add any personalized items not included on this list.

- ☐ Set up the landing page with a waiting list to notify interested customers.
 - Make sure the freebie is ready to go to collect emails.
 - Connect to an email service to automate email workflows.
 - Shorten links with a service like Bitly.
- ☐ Update your bio link to direct to the sales landing page.
- ☐ Schedule the sales landing page launch date.
- ☐ Schedule automated emails.
- ☐ Create marketing posts.
- ☐ Fill in the content calendar with posts scheduled to support launch.
- ☐ Align all social media accounts to support launch.
- ☐ Create supporting content to vary messaging and avoid fatigue.
- ☐ Identify key collaborators to support the launch.
 - Client testimonials
 - Ambassadors or partners to share launch content

Use this section to record notes, questions, or reminders for later.
